

Dr. Curt P. Posey

Dr. Curt P. Posey is a valley born native and was raised in the Fresno/Clovis area. He attended Clovis High School and then went on to Fresno State where he was best known for playing soccer. After graduation he continued his education at USC School of Dentistry for another 4 years. Upon completion of his doctorate degree he moved back to Fresno where he did work as an associate for another practice for sometime before purchasing his own.

Dr. Posey is married with two kids and two Siberian Huskies. He enjoys training for marathons and triathlons here in the valley as well as other locations in California. When not training he spends time with his family and golfs.

Current member of:

- American Academy of Cosmetic Dentistry
- International Congress of Oral Implantology
- American Dental Society of Anesthesiologist
- California Dental Society of Anesthesiologist
- Part time faculty member at USC School of Dentistry
- American Dental Association
- California Dental Association
- Fresno-Madera Dental Association

CURT P. POSEY, DDS, INC.
GENERAL • SEDATION • IMPLANTS • COSMETIC

Welcome!

Curt P. Posey DDS. Inc. is a general dentistry office that emphasizes in sedation or sleep dentistry, dental implants, and cosmetic dentistry in the Fresno, Clovis, and surrounding areas. Our friendly staff takes great pride in making your experience calm, relaxing and comfortable.

Some of the services we offer include: complete family dentistry, single and or multiple dental implant placements, sedation (oral or IV) along with numerous cosmetics procedures from whitening to dental veneers.

We enjoy treating all family members no matter what stage of life and or confidence level. One of the nice procedures we can offer to make your visit with us more relaxing is sedation or sleep dentistry. This helps us take very good care of even our most fearful and phobic patients.

Our office is open Monday through Thursday, with hours that can accommodate most any schedule. We know that your time is important, and we work to ensure that your visit happens as professionally and quickly as possible.

Featured Services

• SEDATION DENTISTRY

Sedation dentistry techniques enable patients - who might otherwise avoid the dentist - to receive dental treatment necessary for a healthy smile.

• DENTAL IMPLANTS

Dental implants are changing the way people live! With dental implants, people are rediscovering the comfort and confidence to eat, speak, laugh and enjoy life.
